

Welcome new HMHS staff:

Madame Anne-Sophie Meeks is more than thrilled to be a part of the Haddonfield Memorial High School family. Madame was raised by a French mother and an American father. She is a graduate of Cherry Hill Public Schools, holds a Bachelor of Science degree in French Education from Temple University, and has her Masters in School Administration/Supervision from Rowan University as well. Madame has a large American and French family. Her French family lives mostly in the Paris and Bretagne regions of France. Madame lives in Medford Lakes with her husband and her daughters Adèle and Coralie. Madame has taught French in South Jersey for 23 years and can not wait to share her love of the French language and culture with her students at HMHS! She says “Bonjour” and “A bientôt Bulldawgs!”

Karen Bannett Visual Arts:

I am so excited to be joining the staff of Haddonfield Memorial High School as the new Visual Arts teacher. In 2014, I received a Master's in the art of teaching degree from the University of the Arts in Philadelphia and began to merge my passion for art with my undergraduate degree in design. I started my teaching career in Camden at LEAP Academy, worked at Voorhees Middle school, and for the last 5 years have been teaching Design and Graphics at Cherry Hill East. Additionally, since 2016, I have been a lecturer in the Art and Design Master's program at The University of the Arts, teaching preservice teachers about educational practices. Prior to becoming a teacher, I was a corporate interior designer, and I ran a marketing department. I have been a part of the Haddonfield community for over 20 years and have 3 daughters that are in and have been through the school system. I look forward to meeting all of your students and exploring visual arts with them.
