Class Rank

- The academic environment of Haddonfield Memorial High School is characterized by its rigor and emphasis on twenty-first-century ideals. The majority of our students respond to this focus by earning exemplary grades. The comparisons fostered by a rank-in-class calculation create unnecessary competition within the school. We believe that rank-in-class at HMHS fails to convey the capability and achievement of our students. Therefore, we do not report class rank.

Accelerated and Advanced Placement Offerings

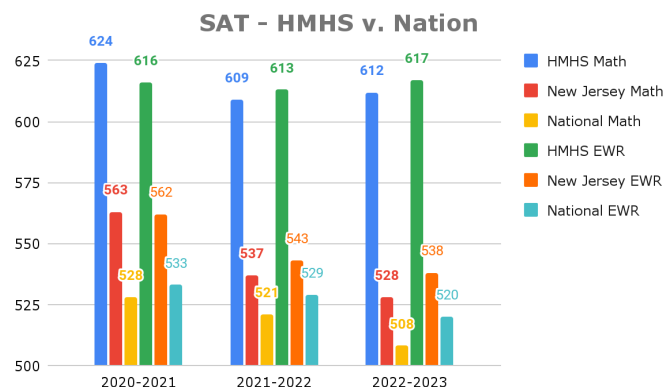

- Haddonfield Memorial High School is proud to offer 18 accelerated courses and 24 Advanced Placement courses. Our students score above the national average in each department.
- *Multivariable Calculus and Advanced Computer Science Applications are more rigorous than an Accelerated course and are weighted the same as an AP course.*
