Class Rank

- The academic environment of Haddonfield Memorial High School is characterized by its rigor and emphasis on twenty-first-century ideals. The majority of our students respond to this focus by earning exemplary grades. The comparisons fostered by a rank-in-class calculation create unnecessary competition within the school. We believe that rank-in-class at HMHS fails to convey the capability and achievement of our students. Therefore, we do not report class rank.

Accelerated and Advanced Placement Offerings

- Haddonfield Memorial High School proudly offers 21 accelerated courses and 25 Advanced Placement courses. Our students score above the national average in each department.
- *Multivariable Calculus and Advanced Computer Science Applications are more rigorous than an accelerated course and are weighted the same as an AP course.*

CONVERTING GPA TO A 4-POINT SCALE

HMHS uses a 100-point grading scale when indicating a student's GPA on a transcript. Whenever possible, students should report the actual numbers that appear on the transcript when asked for a GPA. However, in some cases students may need to report their GPA on a 4-point scale. Please refer to the conversion chart below:
